Programs Offered: Male T.A.S.C. Preparation, Female T.A.S.C. Preparation, Cleaning For Health, Reading is Fun, Male Bible Studies, Female Bible Studies, Catholic Church, Muslim Services, First Presbyterian Studies, Hope Prison Ministries, Jehovah's Witness Services, Spanish Church Studies, Community Fathers, Alcoholics Anonymous, Narcotics Anonymous, Domestic Violence.

Program Highlights: In addition to the above-listed programs offered at SCCF, we also have a peer mentoring group for males in the facility. We are currently in the process of trying to get one up and running for the females. Also, in the near future, we plan on offering a painting class as well as a career readiness class (where inmates will learn interviewing skills, how to type a resume and cover letter, how to search for jobs, etc.)

To date, we have had 153 students enrolled in our TASC Preparation program. We have 9 new students on our waiting list who are awaiting the opportunity to take the TABE test and enter our program as additional students.

We just started up the Cleaning for Health class here at SCCF, and so far we have 16 inmates at the jail who have registered for the course. As part of our intake process, all students who register to take the cleaning class will be required to complete paperwork, as well as TABE test. We hope that students who register to take the cleaning class will become interested in signing up to take our TASC Preparation class as well. Should this be the case for some of the cleaning

class students (and should they qualify to participate in our school program), they will have already been tested and will be ready to join a TASC class at any time.

Number of Inmates facility houses: 335

TASC Offered: 26 Students

TASC Pass Rate: 16 Students (3 additional students have pending results; if all 3 students pass, the pass rate will increase to 19 students.)

*Of those 7 students who did not pass the TASC, 6 students failed the writing section only, and 1 student failed the math section only.

**We have approximately 8-9 more students who are in the process of taking the OPT (Readiness Assessment/Predictor) and who we project will be ready to take the TASC in the very near future (before this school year comes to an end in June.)

***Also, 1 student who was not included in the above-listed "TASC Offered" section needed to take and pass his Regents exams in order to receive his high school diploma. He took, and passed, all necessary Regents exams and subsequently earned his high school diploma from Schenectady High School.

All inmates of Schoharie County are boarded out to other counties.

The relocation area where the county proposes to build the new public safety building and jail is undergoing the SEQRA testing, (i.e., historical, traffic, wet lands, endangered species etc.). It is an estimate that the project won't be finished building until probably 2019 with a possible opening of the new facility in 2020.
