

INVITATION TO EXHIBIT

On behalf of the New York State Association of Incarcerated Education Programs, Inc. (NYSAIEP) we would like to invite you to participate in our 2026 Annual Spring Conference. The conference will be held May 12–May 15, 2026, at the Holiday Inn in Saratoga Springs, New York.

The NYSAIEP conference provides you and your company an opportunity to network and interact with professionals in the education and corrections field. Exhibitor tables are located in prime space, directly outside the presentation rooms, making it easy to meet with conference participants during session breaks. This will allow your display to be most visible to the attendees - increasing both individual and group sales opportunities. Attendees include corrections officers, administrators and teachers of high school classes and equivalency classes, ESOL, vocational programs, community agency representatives and law enforcement personnel.

Conference vendors also can increase top-of-mind awareness among attendees in two ways. One option is to place an ad in our program guide; another option is sole sponsorship of this year's conference bags. Further information for available opportunities is in the exhibitor's agreement.

We hope you can be a part of this amazing group of professionals!

Sincerely,

Gretchen Napier
